

PREFERRED PERSONNEL INC.

"From Front Desk to Boardroom"

Position Title: Senior Credit Analyst

Description:

Preferred Personnel's banking client is seeking multiple Senior Credit Analysts
! Responsibilities will include: Develop and analyze all types of credit information pertaining to diversified types of loans including financial spreadsheets, trend analysis and written loan overviews

Responsibilities:

- Analyze credit data and financial statements to determine the degree of risk involved in extending credit or lending money.
- Request and obtain loan request information and documentation from commercial lenders or directly from new and existing borrowers.
- Analyze and interpret loan related documentation, data, and ratios on new, renewal, and existing loans, including data provided by clients, credit bureaus, the Federal government, and other third-parties.
- Prepare spreadsheets, reports, and summaries to present opinions and analysis to senior lenders and bank management.
- Monitor collateral value, covenants, borrowing bases, etc. as needed on assigned credits.
- Ensure credit compliance with all bank policies and laws/regulation and inform management of any credit deterioration risk or ethical issues.
- Perform related duties as assigned.

Qualifications:

- Bachelor's Degree in Accounting, Finance, or Banking or equivalent experience required
- Fundamental knowledge of financial, cost, and tax accounting preferred but not required.
- Expert level knowledge in Microsoft Excel, proficient in Microsoft Word, and Outlook.
- Positive attitude, strong work ethic, and team player attitude
- Internally driven to succeed with the ability to work independently while maintaining a team mentality.

- Excellent financial analytical skills with sound judgment and decision-making abilities
- Exemplary interpersonal and oral/written communication skills
- Strong social skills to be effective with coworkers and to keep commercial and consumer customers happy.
- Strong ability to work well under pressure, multi-task exceptionally, produce quality work within a narrow window of time, and learn and adapt to varied and added responsibilities
